

Should I buy a cellular booster?

Learn More at: rvmobileinternet.com/boosters

Do You Travel to Different Locations?

YES

Do you depend on phones for data?

NO

Is Upload Speed Important?

YES

NO

NO

Do you have poor cellular performance?

NO

YES

YES

A booster or antennas may help.

Booster probably won't help.

A booster Is your only enhancing option.

A booster could be useful in addition to MIMO.

Standardize on MIMO - a booster might be useful occasionally.
